

NANA ASAMOAH, CAIP

The following is a list of short certificate courses I took between 2020 and 2021 from Future Learn to enhance my knowledge and skills across various subject areas.

List of Courses

- **Ideas for a Better World: Leading Change Through Policymaking**, issued by *British Council, London, UK (April 2021)*.
 - A course on how to turn passion into a policy, use evidence effectively, collaborate and influence and develop a policy action plan: <https://www.futurelearn.com/certificates/88gf71r>.
- **The Politics of Economics and the Economics of Politicians**, issued by the *University of Nottingham, Nottingham, UK (May 2021)*.
 - The course explored the link between politics and economics by analyzing the economic policies implemented by some major political figures from different historical periods and countries, and the key economic ideas they adopted. <https://www.futurelearn.com/certificates/ckad7tn>.
- **Understanding and Addressing Extremism Teach-Out**, issued by the *University of Michigan, Michigan, USA (April 2021)*.
 - The course covered the history of international and domestic terrorism, as well as current issues related to online radicalism, disinformation, political polarization, conspiracy theories, and recent examples of extremism. <https://www.futurelearn.com/certificates/13l34u0>.
- **Risk Management in the Global Economy**, issued by *SOAS University of London, London, UK (April 2021)*.
 - The course examined the core practices of risk management, with topics including the main functions of finance and risk management; forms of financial investment; hedging risk using financial derivatives; and applying risk management in the financial and non-financial sectors. <https://www.futurelearn.com/certificates/d781sh8>.
- **Drafting and Negotiating Commercial Contracts: A guide to contract law for non-lawyers**, issued by the *College of Law, Australia (April 2021)*.
 - The course focused on developing the key knowledge and skills required by professionals when negotiating and drafting commercial contracts that involve parties, laws or businesses. <https://www.futurelearn.com/certificates/uaya4jz>.
- **Agriculture, Economics and Nature**, issued by the *University of Western Australia, Perth, Australia (April 2021)*.
 - The course explored key economic principles that help to make sense of the changes that have occurred in agriculture and understand why different agricultural economic decisions have been made. <https://www.futurelearn.com/certificates/g9ymkhc>.
- **Sustainable Development in Humanitarian Action**, issued by the *International Federation of Red Cross and Red Crescent Societies (IFRC) and the International Committee of the Red Cross (ICRC) (May 2021)*.
 - The course explored how sustainable development principles can be incorporated into humanitarian organizations. <https://www.futurelearn.com/certificates/50h1ub5>.
- **Migration, Mobilities and Citizenship**, issued by the *University of Bristol, Bristol, UK (April 2021)*.
 - The course covered contemporary human movements within their historical context, the current global situation of COVID-19, as well as the relation of race and racism to migration. <https://www.futurelearn.com/certificates/jcngn2j>.
- **The Ideal of Self-Governance: Public Policy Beyond Markets and States**, issued by the *King's College London, London, UK (May 2021)*.
 - The course explored the foundations of self-governance as an approach to public policy beyond markets and states, focusing on key concepts, case studies, and normative questions around public entrepreneurship, co-production, and polycentricity. <https://www.futurelearn.com/certificates/82l2rxp>.
- **Population 10 Billion: Researching Global Issues**, issued by the *University of Sheffield, Sheffield, UK (May 2021)*.
 - The course explored how interdisciplinary research is vital for responding to the connectedness of issues caused by a growing population and the wide variety of methods, knowledge, and skills that are needed to respond to them. <https://www.futurelearn.com/certificates/38xb7yu>.
- **What is International Development?**, issued by the *University of East Anglia, East Anglia, UK (July 2020)*.
 - The course used Nairobi, the capital city of Kenya, as a case study to provide an introduction to the key ideas, concepts, and debates around the study of international development. <https://www.futurelearn.com/certificates/4nkyor0>.
- **Global Prosperity Beyond GDP**, issued by the *University College London, London, UK (June 2020)*.
 - The course explored the origin of Gross Domestic Product (GDP) and the impacts of defining societal success in primarily economic terms in the present and future. <https://www.futurelearn.com/certificates/uwcp1f8>.
